Software Engineer

SUMMARY

Hello everyone, I'm Faris! I'm very interested in the field of IT, which is why I enrolled in IDN Boarding School, specifically located in Solo city. During my time at IDN, I have gained valuable lessons and experiences. I have learned HTML, CSS, PHP, and many other programming languages at IDN.

EXPERIENCE

IDN in Muktamar Fair Fest 48th

Go to the Muktamar fair festival in Solo to learn from the activities that are there, as well as showcase our work.

IDN Nursing Home

Visiting nursing homes to entertain the grandparents at the nursing home, and participating in activities at the nursing home

IDN Tangguh

We went to the city of Kediri to earn money. We searched for jobs by going around Kediri, and the money we collected in a week from working was used to return to IDN.

Teaches at SMP IT Fathona Palembang

I teach at SMP IT Fathona Palembang, where I teach Figma, focusing on creating UI/UX designs in Figma and designing posters, among other things.
